## Become a Champion of Hope

### Critical Care Ambulances

### Helicopter

### Fixed Wing Aircraft

#### What sets our Neonatal & Pediatric Transport Team Apart

As the only dedicated Neonatal/Pediatric transport team in the state, our mission is to provide emergent care and rapid stabilization to the most fragile patients of Oklahoma. Our robust and comprehensive team is comprised of Registered Nurses, Nationally Registered Paramedics, EMT/EMT-P drivers and Pilots.

While on transport, our teams work closely with our Oklahoma Children's Hospital medical directors as well as with referring/receiving facility physicians to provide specialty patient care. Our team is rapidly expanding- if you have ever had a dream to be a Transport Nurse, now is the time to expand your critical care skills and join our team!

#### Unique Care You Will Provide

Care providers on our team are trained and proficient in many advanced skills, including but not limited to:

- Active therapeutic hypothermia via Tecotherm™ - Infant Cooling System
- Advanced pediatric/neonatal assessment
- Advanced ventilator management
- Chest tube insertion

- Critical care medication administration
- Endotracheal intubation
- High Frequency Ventilation
- Nitric oxide administration
- Surfactant administration
- Umbilical catheter placement

#### About Oklahoma Children's Hospital OU Health

Oklahoma Children's Hospital OU Health is the state's only comprehensive pediatric hospital. U.S. News & World Report named us one of the Top 50 Children's Hospital for Pediatric Cardiology & Heart Surgery and Pediatric Gastroenterology & GI Surgery. We provide the state's most comprehensive level IV NICU, region's only pediatric heart center, region's only pediatric BMT & CAR-T Therapy program, state's only level IV pediatric epilepsy center and high-risk pregnancy, labor and delivery care in our hospital.
