

## NURSING CAREERS

# Medical Intensive Care Unit

**36** Beds

**1:2** Nurse to Patient Ratio

## Unit Information

The Adult Medical Intensive Care Unit is a 36-bed unit at the University of Oklahoma Medical Center OU Health. The team treats a wide variety of critically ill patients from across central Oklahoma and surrounding areas. We specialize in high-acuity pulmonary, metabolic, endocrine, oncology and peri/post resuscitation patients as well as many disease processes. MICU offers excellent exposure to management of complex patients, which forms a solid foundation for those seeking future advance practice roles.
